The New Children's Museum
October 14, 2017

The New Children's Museum brilliantly transformed its 50,000-square-foot space with rotating clubs featuring the best of the '70s, '80s and music of today. The event raised \$70,000 in support of the museum's creative programming and access for children and families who may not otherwise be able to come to the museum.
