Studio 200: Into the Future

Known for its innovative and out-of-this-world fundraising events, The New Children's Museum's annual gala was themed "Studio 200: Into the Future." The arts-based children's museum has earned a reputation for throwing galas unlike any others in town, where they showcase their unique blend of creativity with themed food, drinks, music, and entertainment. This year's gala co-chairs included Chanelle Hawken, Pamela Pendrell, and Cami Rosso. "Studio 200: Into the Future" featured live entertainment by BetaMAXX, as well as a comprehensive silent auction. >>
