There are many ways to get to the top of Whammock!. Find your way through the Whammock! maze to get to the center!

Which way did you go? Are there other ways you could go?

Grab a blank paper and create your own maze! Give it to a family member or friend and see if they can find their way through your maze!

Whammock!, 2019 - Toshiko Horiuchi MacAdam
A visually stimulating array of bright, hand-dyed, hand-braided nylon rope crocheted into a large-scale, three-dimensional, climbable sculpture. Children are able to move upwards through one pocket after another until they reach a colorful expanse where they can run, slide, bounce and rest.
