What did you include on your plate? Can you name all the different foods?

Pretend you're serving food to a family member. List the different foods they can choose from and ask them to pick what they'd like. Serve them their plate of food!

Wobbleland, 2013 - Marisol Rendón
Rendón created an area that resembles a giant kitchen sink and filled it with oversized soft food sculptures. Infants and toddlers 4 and under can make creative discoveries like exploring a cantaloupe teeter-totter, sailing on a slice of watermelon, crawling through a cheese wedge, playing in an orange and so much more.
