**art**
Color in the furry beings from *tikitiko*. Where do you think they live? Draw in the background so we can see!

What do you think these creatures are? What might they feel like?

**play**
Try creating your own abstract being! You can either draw them on paper or create them using household items. Get creative!

*tikitiko*, 2019 - Tanya Aguñiga
*tikitiko* is a sensory wonderland for toddlers and their caregivers to make meaningful connections around abstract forms covered in colorful, soft and furry textiles. Build empathy by brushing furry beings. Care for huggable forms. Cuddle in a nook with sensory objects. Meet caregivers and share the journey of childrearing.
