*Art, Introduced in 2020*

The character Art is inspired by *The Rain House*, 1993 – Ernest Silva. The original Rain House was built for the Children’s Museum of San Diego/Museo de los Niños in 1993 in the old warehouse, titled “Cora’s Rain House,” dedicated to Ernie’s first wife who passed away. The first structure had a corrugated tin roof and used sprinklers to create “rain.”
