art
Create your own sea creature from *Sketch Aquarium*. Design and color it in as you’d like! Then draw where it lives!

What sea creature is this? Can you find its tail?

play
Cut out your creation and hide it somewhere in your house. Ask a friend or family member to find it. Take turns hiding and finding the creature!

---

*Sketch Aquarium, 2017 - teamLab Kids*

Design a fanciful sea creature, and then watch it come to life and swim with all the other sea creatures in a wall-sized, moving aquarium projection. *Sketch Aquarium* uses the best in 21st century technology to create a beautiful, engaging art and science experience for all ages.
