**art**

Color your creature and their items on the right. Cut them out and dress your creature.

How do you care for people you love? What makes them happy?

**play**

Care for a creature at home! Do you have a toy or stuffed animal you love? Dress them up and take care of them for the day.

_tikitiko_, 2019 - Tanya Aguiñiga

tikitiko is a sensory wonderland for toddlers and their caregivers to make meaningful connections around abstract forms covered in colorful, soft and furry textiles. Build empathy by brushing furry beings. Care for huggable forms. Cuddle in a nook with sensory objects. Meet caregivers and share the journey of childrearing.
