art
Color in the different tools used in the Innovators LAB. Trace the letters to practice spelling each tool name.

Have you used any of these tools before?
What can you use each tool for?

gears
protractor
scissors
magnifying glass
needle + thread

play
We’re always doing fun projects in the Innovators LAB that require tools! Try matching each tool to its name by drawing a line like in the example below. Ask an adult at home to check your work.
