

MINI PUMPKIN ART

Transform a miniature pumpkin into a creepy crawler or silly creature to celebrate this holiday season.

AGE: 3+ (small parts, choking hazard)

TIME FRAME: 1 hour

MATERIALS

- Mini Pumpkin
- Googly Eyes
- Black Construction Paper
- Colored Pipe Cleaners
- Glue Stick

**Scissors and black paint not included.*

1 Clean your pumpkin to remove any dust or dirt.

2 Decide where your creepy crawler's eyes will go. Peel backing off self-adhesive googly eyes. Attach googly eyes to make your creature come alive.

3 Decide what creature to make and attach paper and pipe cleaners to the pumpkin using your glue stick.

IDEAS / INSPIRATION

SPIDER

Cut paper into 1" strips and fold to create an accordion texture for legs. Cut pipe cleaner into short pieces and poke into pumpkin as hair.

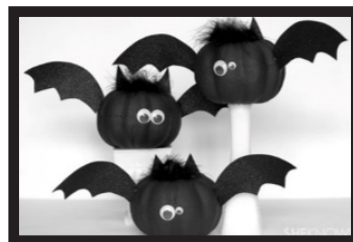

CAT

Cut out ears, whiskers and a nose. Add the pipe cleaner for a tail.

BAT

Cut out ears and wings. Cut small pieces of the pipe cleaners to add as hair.

SPY

Cut out a shape of a mask. Add pipe cleaner as a strap to keep the mask in place.

4 Display your pumpkin art where you can surprise people! Share photos of your creation and tag #onepaseo and #thenewchildrensmuseum on social media.

Activity made possible by a partnership between One Paseo and The New Children's Museum.
